

# Apple Maze

## Facts

- There are thousands of different apple varieties.
- Granny Smith apples were first grown in Australia and are now one of the major apple varieties grown all over the world.
- No one knows where the first apples came from - it's a mystery, but it's thought that humans have been eating them since the Stone Age.
- Apples were used as symbols of love in ancient Rome and Greece.
- Apples are one of the most popular fruits in the world because they are delicious dried, raw or cooked.

At FreshLife® everything happens naturally. Our passion means our dried fruit, nuts & seeds are carefully picked from the very best growers in Australia and beyond.
