

# Pineapple Maze

## Facts

- ❧ Pineapples are native to South America.
- ❧ European explorers discovered pineapples nearly 500 years ago, and fed the fruit to sailors to keep them healthy.
- ❧ One way to tell if a pineapple is ripe is to tap its side and listen for a dull, solid sound.
- ❧ A pineapple is actually a group of small fruits that fuse together around a central core.
- ❧ Pineapples were named by European explorers who thought they looked like pine cones.

At Freshlife® everything happens naturally. Our passion means our dried fruit, nuts & seeds are carefully picked from the very best growers in Australia and beyond.
